NIBS 2008

1st INTERNATIONAL CONFERENCE ON NEGATIVE IONS, BEAMS AND SOURCES

10-12 SEPTEMBER 2008
AIX-EN-PROVENCE, FRANCE

2nd Announcement and call for abstracts

Organized by

Institut de recherche sur la fusion par confinement
magnétique
Commissariat à l'Energie Atomique
Cadarache France

SUBJECT MATTER

The 1st International Conference on Negative Ions, Beams and Sources (NIBS), previously named the “Symposium on Production and Neutralization of Negative Ion Beams” (PNNIB), will be held in Aix-en-Provence in the south of France from the 10th to the 12th of September 2008.

The conference will be organised by the Association EURATOM – CEA Cadarache. The aim of the conference is to provide a discussion forum covering all areas of negative ions based activities.

LIST OF TOPICS

1. Fundamental processes and modelling
2. H- and D- Sources for Fusion, accelerators and other applications
3. Other negative ion sources
4. Turbulent transport and structures: experimental evidence
5. Beam Formation and low energy Transport
6. Beam acceleration and neutralization
7. Applications

The conference will consist of oral presentations. The selection of contributions will be made on the basis of the submitted one-page abstracts.

CALL FOR ABSTRACTS

Contributions to any of the listed topics are welcome. Authors are invited to submit an abstract, describing the most important aspects of the work to be reported. They should be suitable for direct reproduction.

Instructions and templates are available on the conference website:

<http://www-fusion-magnetique.cea.fr/nibs2008/index.html>

The abstracts and the submission details should be sent by e-mail to: nibs2008@cea.fr not later than the 30th of April 2008.

A confirmation of receipt will be sent by e-mail within a week.

PROGRAMME

The list of invited presentations and the full programme will be available in May on the conference website.

PROCEEDINGS

Manuscripts for the AIP conference proceedings are due at the beginning of the conference. Electronic versions must be submitted one week prior to the conference or three hard copies submitted at registration.

All manuscripts will be reviewed by peers attending the conference, with the objective of returning all papers to the authors by the end of the conference.

ACCOMMODATION

In hotels downtown in Aix-en-Provence at a walking distance from the conference room. The deadline for the hotel reservation is June 30th, 2008.

After this date, the availability of rooms is no longer guaranteed.

No reservation will be made if payment (1 night of deposit) is not enclosed.

The rooms will be attributed on a first come first served basis. Please, note that if there are no more rooms in the chosen hotel category, PROMO SCIENCES will suggest another category of hotel and/or price, depending on the availability.

REGISTRATION

The conference fee, including lunch, is

300 euros if registration is received by the 30th of June 2008

350 euros if registration is received after the 30th of June 2008

The conference dinner, organized on Thursday 11 September, will be held in the “calanque de Niolon” on the sea side. It is 50 euros, including transportation by bus.

Cancellation: the registration fees will be refunded, less 50 euros, if cancellation is received in writing, by August 31st, 2008. After this date, no refund will be possible.

CADARACHE VISIT

A visit of Tore Supra Tokamak and Iter Site will be organized on Friday afternoon (return in Aix not before 6 pm). Participants wishing to join the technical visit will need to provide some personal details and be registered by the 25th of August.

HOW TO GET THERE

The conference centre is in the centre of Aix-en-Provence within walking distance of the hotels. Aix-en-Provence is close to the Marseille-Provence Airport and to a TGV train station. Public transportation is available.
